*It is so wonderful to be around so many other specialists in the field of art! This was my first national convention and it was a great time. I wasn't called 'weird' for 5 whole days!... There were great choices for presentations to attend—so many! I wish I could have attended so many more than I did!*

*I had a fabulous time at the convention! It was great to see old friends, meet new people and be immersed into the world of art again. I left exhausted, but filled with a renewed sense of who I am, where I need to go and validation that teaching art is worthwhile.*
