of the University of Colorado at Boulder

## Job and Internship Postings

[www.foreverbuffsnetwork.org](http://www.foreverbuffsnetwork.org)  
[www.cualum.org](http://www.cualum.org)

Are you looking for a job, internship or are you exploring a new career path? Are you a current undergraduate student ready to launch your career? Career Services, in collaboration with the Alumni Association, offers a multitude of services geared towards your needs, whether you are looking for a job or searching for Buffs to hire. *Please note that by clicking on the links below, you will be taken out of the Forever Buffs Network and directed to CU Career Services at <http://careerservices.colorado.edu>*

Gaining access to CSO is free to all alumni and included as part of the services to current students. If you are a graduate of CU-Boulder, please call the Help Desk at 303-492-4100 or e-mail [Jane.Rogers@colorado.edu](mailto:Jane.Rogers@colorado.edu) to reactivate your account. Registrants will receive the Career Services Update, a weekly (during the academic year) compilation of career-related events and services. *Note: Career Services resources are for degree-holding alumni only.*

### [Internship Opportunities](#)

If you are a student, internships are the best way to prepare you for the job market. If you are an alum transitioning to a career or returning to the work force, an internship is worth exploring. If you can build up your resume with internships beginning your sophomore year, by the time you graduate, you will have gained experience that will help you determine your career path and give you more of a competitive edge.

### [Post your opening or internship](#)

Career Services offers free posting for your full-time, part-time, summer or internship opportunities. The most effective way to get the word out about your career positions is to post your position on [CSO](#) (Career Services Online). Listings receive hundreds of hits per day and are accessible by CU-Boulder students and alumni 24 hours a day, 7 days a week.
