Nomination Packet

University of Hawai'i Alumni Association

Aloha!

The University of Hawai'i Alumni Association (UHAA) proudly celebrates and honors alumni whose achievements shine as beacons in our community. Presented first in 1987, the University of Hawai'i Distinguished Alumni Award was established to recognize outstanding UH alumni and the tradition of excellence at UH. Past recipients, listed on page 6, have committed themselves to the mission of UH: advancing the values and goals of a democratic society and ensuring the survival of present and future generations with improvement in the quality of life.

With this award we continue to pay tribute to those notable alumni who have used their University of Hawai'i education to bring excellence to their professional achievements, to provide inspirational leadership to others, and to develop exceptional qualities. They bring high honor to themselves, their community and the University of Hawai'i.

These distinguished recipients are representative of the rich diversity of our University. Their stellar examples light the path for future graduates and their enduring commitment to integrity, diversity and service inspire us.

We will next honor these outstanding individuals at the Distinguished Alumni Awards dinner on May 10th 2005, at the Sheraton Waikiki Hotel in Honolulu.

The UH Alumni Association invites you to nominate alumni from any of the ten campuses whose achievements you feel merit this prestigious award.

We look forward to hearing from you.

Mahalo,
